Verse: Esther]

*Doubt's a shadow, casting long,
A weight in my chest, a heavy song.
The crown feels distant, the throne too high,
Who am I, to even try?*

[Prechorus: Ensemble , Esther]

*Ensemble: I'm just a whisper,
Esther: lost in the crowd
Ensemble: A fading ember,
Esther: no flame allowed.*

[Chorus: Ensemble, Both]

*Impossible? Unstoppable!
Faith moves mountains, God above all.
What you can't see, God's already planned,
Impossible? His miracles stand!*

[Verse 2: Mordecai]

*You're a jewel, hidden in the sand,
A thread of gold in the Master's hand.
This isn't chance, this isn't fate,
You're here for a reason—no time to wait.*

[Prechorus: Ensemble, Mordecai]

*Ensemble: Esther, listen,
Mordecai: the time is now,
Ensemble: For courage to rise
Mordecai: and take your vow.*

[Chorus: Both]

*Impossible? Unstoppable!
Faith moves mountains, God above all.
What you can't see, God's already planned,
Impossible? His miracles stand*
